VANILLA ICE CREAM

Intense Conditioning with Lanolin & Keratin

Provides intense moisturising and conditioning benefits, giving hair a healthy high shine that is easier to brush while infusing a lasting pet friendly fragrance with our organic Vanillin Extracts.

Keratin protein smooths the hair follicles resulting in a higher shine. Keratin also adds strength to the hair shaft preventing premature breakage. Lanolin coats the hair and skin in a defensive layer that protects the hair from external toxins that can cause long term damage. It also stops moisture leaving the skin to keep both the skin and hair healthy and vibrant looking.

- Intense moisture for dry skin & fur
- Keratin & Lanolin infused
- Gentle on the skin
